

Elements invites you...

Elements Primary School
Creative • Unique • Innovative

The brand-new Elements Primary School will be opening at Acre Mount, Middleton in September 2018.

This exceptional new school needs an exceptional Governing Body, comprising members of the local community.

To find out more visit us at the Tenants Halls, Acre Close, Leeds, LS10 4HX, 6pm, Wednesday 31st January.

If you're passionate about giving children the best education they can have and are interested in giving your time and commitment to supporting that aim, could you be a member of the Elements Governing Body, which will form in Spring 2018?

Governors have an extremely rewarding and proactive role. The Governing Body will have three main responsibilities:

- Establishing the School's **vision, ethos and strategic direction**
- Holding **leaders to account** for the Academy's educational performance
- Overseeing the **financial performance** of the School.
